SUNDAY BULLETIN

XX, XXI & XXII SUNDAYS IN ORDINARY TIME

August 18 - In Today's Gospel, Jesus outlines many of the ways in which his coming into the world will cause division, and not peace. He comes to set the earth on fire—not to destroy it, but to emblaze it with the fullness of God's love for us. The divisiveness arises not from Jesus himself, but from peoples' response to him: choosing either to build up that fire, or to tamp it down. Let us be those who feed the fire of the kingdom, not extinguish it.

August 25 - Today, we are given fair warning by Jesus that we should strive earnestly to enter the kingdom of God, and not simply assume a place will be reserved for us. So let's make an effort, as we travel the path of discipleship, to travel lightly, unencumbered by unnecessary attachments to the things of this world.

September 1 - Baptism is our invitation to the eternal banquet of the kingdom. Our response is in the way we live our lives, in our gratitude for all that God has done, in our desire to serve God by serving others, and in our life of prayer and worship.

SAINT TERESA OF CALCUTTA (August 26, 1910 - September 5, 1997). On this day (Sept. 5), Mass will be celebrated in our Church in the English language by His Grace, Archbishop Richard Gagnon, with the participation of the Missionaries of Charity. We are inviting everyone to attend and participate in the celebration of this wonderful event. All are invited to an informal gathering in our parish hall following the mass.

PARISH RADIO MASS has been broadcast for many years on CKJS 810 AM Radio. Each month we must pay \$1,333 which is \$16,000 annually. It is very important to keep this program on the air which benefits the sick, elderly and those unable to participate at our Eucharistic Celebrations. To date we have collected \$9,480.00.

EXCHANGE OF MAIN LIGHTS IN CHURCH AND CHAPEL

In the near future, we are intending to replace the lights in the ceiling of the Church and Chapel to energy efficient lighting. These will be more economical and will help our parish save on the cost of hydro. We are estimating the cost for the complete project which includes materials and labour to be \$25,000.00. These are not the same lights that were changed in the bulkhead of the Church a few years ago. As this will be a very costly project, we are appealing to all parishioners for your help and support for this fundraising project that we may raise enough funds to cover the entire cost. All donations are greatly appreciated and will be eligible towards your 2019 Income Tax Receipts.

XXIII. XXIV SUNDAYS IN ORDINARY TIME

FAREWELL AND SINCERE APPRECIATION TO: Fr. Piotr Dudek, OMI who will soon be leaving our parish after 1 year of priestly ministry and going to another parish. On behalf of the entire parish community of Holy Ghost Parish, we would like to extend our sincere appreciation to Fr. Piotr for all his work in our parish. Thank you for leaving a good mark in our parish; distributing the sacraments; wonderful homilies; visitation of the sick and elderly; Baptism Preparation; Marriage Preparation and proclaiming the Word of the Lord. May our Heavenly Father bless you and guide you in your vocation and priestly works with good health, wisdom, strength and patience in all your future endeavors as you continue your good works in the Lord's vineyard. God Bless you Fr. Piotr—it was a pleasure to have met and worked with you in our parish community and office. We will remember you and keep you in our prayers and are grateful to you for your service among us.

FAMILY OF RADIO MARIA - next meeting — September 8 at 6:00 p.m. Offerings for Radio Maria may be placed in a separate envelope in the Sunday collection basket.

HOLY GHOST CEMETERY - we have started with foundation renovation work in our cemetery as well as preparing the grounds around the Columbarium for the future installation of additional Columbariums. We ask to please use safety when entering the grounds of the cemetery during this construction work. We would once again like to remind everyone to please not place flowers, solar lights or cement plaques in front of the monuments. We continue to have the same problems each year with those not following our rules and this makes it very difficult for the upkeep and maintenance of the cemetery as well for the safety of the staff. All items mentioned above which are in front of the monuments will be removed. We also ask to please not drive on the grass—signs are posted indicating this and yet we continue to see tire tracks and cars driving on the grass in the evenings. We ask that you please respect the rules of the cemetery. This cannot be accomplished without the cooperation of all those who have families and friends at rest in our cemetery. Thank you for your understanding in this matter as we continue to beautify the final resting place of our faithful departed.
