ASCENSION OF THE LORD

Give glory to God.

Today's Liturgy of the Word offers insight into what it means to glorify God. It is not about just praising occasionally with words, but rather, it is about glorifying God with our lives. What we say and what we do ought to glorify God every day. Jesus has shown us this way by his very life, from his public ministry to his passion and resurrection.

The appointments for the pictures will be set up in the fall. On the other hand, we will also need a good number of volunteers to help facilitate this project. PENTECOST SUNDAY - PARISH FEAST

Easter isn't just about Jesus' resurrection from the dead, but our rising to new life.

The first Easter – that day in human history where Jesus Christ was raised from the dead – is not simply a historical fact, but a theological and spiritual reality in which we continue to live. We are immersed in the life that was created for us in his rising, and we celebrate that “little Easter” in every Sunday Eucharist. Through the grace received there and the gifts of the Holy Spirit, we are sent as workers in the kingdom, helping to renew the face of the earth.
